Ref: ~~SECRET~~ Rt.No.114 R.W Department dated 12.9.50.

one person for attending to works in the selected firkas of this district expires on 31.3.51. The special staff is attending to works under communications, Rural water supply, Irrigation and other allied works. A statement showing the particulars of works under these items is enclosed.

2. The Divisional Engineer (Highways) Mangalore reports that due to dearth of labour and prevailing high rate of wages, it was not possible to make much headway in the speedy execution and completion of the works already sanctioned in Kumbala firka. Besides the coordinated plans of Mulky and Manjeshwar have been approved by the District Rural Welfare Committee and estimates for works under Rural water supply, communications etc have to be prepared in addition to the preparation of bills and check measurement of works already completed.

3. I therefore recommend that the special staff consisting of one Supervisor (H) and one peon may be retained till 31.3.1952.

4. The statement in the form prescribed is enclosed.

Yours faithfully,

For Collector.
